The Single Club of San Marino has the great pleasure of inviting you on **13-14-15 September 2019** in the Republic of San Marino to develop with you the dialogue, the culture and the sense of friendship inherent in the European society and in the wonderful Soroptimist family. Renata Trottmann Probst, President of the European Federation, will be present at the event.

Come and discover the oldest Republic in the world, its unique history and its cultural heritage.

Come and meet the speakers who will develop for us the topic chosen

“A NEW SOCIETY / THE WOMEN OF TODAY”

You will meet women who work hard everyday for a new society: an extraordinary opportunity to meet small and medium women entrepreneurial realities: from the San Marino microcosm to the wide European reality. They are sure that women represent the essential resource for growth.

Important entrepreneurial women will offer us a debate on the topic “**The woman in the heart of economy**”.

We will be happy to welcome you.
